View the Storytime calendar for term 4

Meet Milli she/her

Family Literacy Resource Officer

For Milli, working as a Family Literacy Officer is the perfect combination of everything she loves. Before joining the library world, she worked in bookshops and studied both creative writing and prenatal care as a doula. When she realised she wanted a career focused on supporting people and giving back to the community, becoming a Children's Librarian felt like a natural fit.

Having grown up locally and continuing to live in the area, Milli feels a deep connection to the community she serves. She loves being able to give back to the place that has shaped so much of her life and enjoys seeing familiar faces at the library, at Frankston City's family events, and around town. For Milli, one of the most rewarding parts of her role is building relationships with local families and organisations and helping create a welcoming space where everyone feels connected and supported.

Outside of work, Milli is happiest when she's with her family, at the beach or immersed in a good book. She tries to visit the beach every day and spends her summers snorkelling whenever she can. She also enjoys op shopping, writing poetry and essays, and heading to the footy.

A devoted St Kilda supporter, Milli has been a Saints member for 25 years. While there hasn't yet been a premiership to celebrate, she treasures game days spent with her brothers and sisters and the shared memories that come with supporting her team through every high and low.

One of Milli's favourite parts of her role is delivering Storytime. She feels privileged to create a joyful, screen-free space where children and their grown-ups can come together through stories, songs and play. Seeing children grow in confidence, form connections and develop a love of reading is something she never takes for granted.

And, of course, no Storytime would be complete without bubbles!

Milli is passionate about helping local children get the best possible start in life. She believes that reading, singing and playing together every day helps build strong literacy and communication skills while creating meaningful family connections. Through her work at the library, she is proud to support local families, foster a love of learning and contribute to the vibrant community she has always called home.

Mon's Book Chit Chat

Her latest reads

#1 Sunday Times Bestseller

Yesteryear
Caro Claire Burke

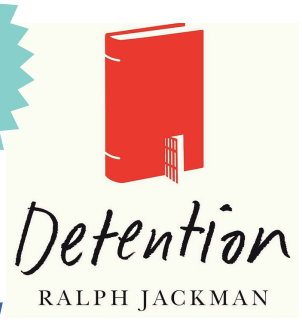
When a popular lifestyle influencer is suddenly transported to 1855, she discovers that the idealised past she promotes online is far harsher than she imagined. Forced to navigate the realities of nineteenth-century life, she must confront uncomfortable truths about gender, privilege, identity, and the dangers of romanticising history.

Coming of age

Tenderfoot
Toni Jordan

Set in 1970s Brisbane, this moving coming-of-age story follows a bright young girl whose life revolves around family, friendship and racing greyhounds. When her world is shattered by loss, secrets and upheaval, she must find the courage to navigate change, uncover the truth, and shape her own future.

Memoir



Detention
Ralph Jackman

Step inside one of Australia's toughest youth detention centres through the eyes of a rookie teacher determined to make a difference. This powerful memoir reveals the challenges, heartbreak and small victories found behind the razor wire, while shining a light on the lives of vulnerable young people and the transformative power of education.

Family Drama

Between Sisters
Kristin Hannah

Two sisters separated by years of hurt and misunderstanding are brought back together when family milestones and unexpected challenges force them to confront the past. This emotional story explores forgiveness, resilience and the enduring strength of family bonds, while reminding us that healing is possible even after the deepest wounds.
