*When It Rains*

Tuesday 1 April 2025  
6pm | Frankston

The newest installment in his acclaimed Dan Clement series, *When It Rains*, begins with a hand tied to a post in the crocodile-infested waters of Broome, Western Australia. This gripping crime thriller follows Detective Dan Clement as he investigates a series of violent crimes, racing against time to solve a high-stakes mystery.

**Jane Caro**  
*Lyrebird*

Monday 7 April 2025  
1pm | Frankston

Lyrebirds are brilliant mimics, so if they mimic a woman screaming in terror and begging for her life, they have witnessed a crime. But how does a young, hung over PHD student and a wet behind the ears new detective, convince anyone that a native bird can be a reliable witness to a murder, especially when there is no body and no missing person? And what happens when they turn out to be right?

**Julie Kay**  
*River Bend*

Thursday 10 April 2025  
6pm | Carrum Downs

Fleeing Melbourne for the country, Lara Benton leaves the trauma of her past behind her. After being welcomed by the River Bend community Lara settles into the slower pace of country life and begins to love all the quirky characters she meets along the way. But all at River Bend is not what it seems. This sleepy little town has something to hide and there are secrets around every corner. Even the adorable country cop, Curtis Gold has a past he's trying to forget. As Lara desperately tries to fight her attraction for Curtis, she gets caught up in one of River Bend's biggest secrets.
